

GET THE MOST FROM YOUR DELTA DENTAL PPOSM PLAN

8 WAYS TO ELEVATE YOUR SMILE

1. GO PPO. Visit a PPO¹ dentist to maximize your savings.² These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.³ Find a PPO dentist at deltadentalins.com.⁴

2. SEEK PREVENTIVE CARE. Regular cleanings are a great way to catch problems before they require costly and extensive services. Your plan is designed to make preventive care affordable.

3. ACCESS ONLINE SERVICES. Get information about your plan anytime, anywhere by signing up for an Online Services account. This free service lets you find a network dentist, view or print your ID card and more.

4. GO PAPERLESS. Receive an email when a new dental benefits statement is available. Save time, reduce clutter and preserve environmental resources. To enroll, log in to Online Services: My Profile > Online with E-Mail Alerts > Save.

¹ In Texas, Delta Dental Insurance Company offers a Dental Provider Organization (DPO) plan.

² You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist.

³ You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services. PPO dentists won't bill you for any amount over their PPO fees.

⁴ Verify that your dentist is a PPO dentist before each appointment.

5. GO MOBILE. Visit **deltadentalins.com** on your smartphone to access mobile-optimized Online Services on the go — including a helpful dentist locator tool. Or, download the Delta Dental app, available through the App Store or Google Play, to access your plan information and try out the handy toothbrush timer.

6. COORDINATE BENEFITS. Are you covered under another dental plan as well? Ask your dentist to include information about both plans with your claim, and we'll handle the rest.⁵

7. TALK TO YOUR DENTIST. From pregnancy to diabetes, overall health can affect your oral health. Start each dental checkup with a quick chat about any issues.

8. STAY INFORMED. Get tools and tips at our SmileWay® Wellness site (**mysmileway.com**). Don't forget to subscribe to *Grin!*, our free dental wellness e-magazine.

⁵ Group- and state-specific exceptions may apply. Please review your plan booklet for details about your plan's coordination of benefits, including rules for determining primary and secondary coverage.
