School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Principal's Message

The purpose of the School Accountability Report Card is to provide parents with information about Tiefert View Intermediate School's instructional programs, academic achievement, materials, facilities, and staff. Tiefert View Intermediate School has established a tradition of academic excellence and welcomes this opportunity to tell you more about us. The staff at Tiefert View Intermediate School believes each child is unique and deserving of a rich educational environment. Each student has access to a rigorous core curriculum in English Language Arts, Mathematics, Science, and Social Science.

The hard working staff is both skilled and dedicated to the success of our students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach that provides an atmosphere in which a child's social, emotional, and intellectual needs are equally important. All students have special talents and are given the opportunities to develop those talents. Parents and the community play a very important role in the school. Understanding the school's educational program, student achievement, and curriculum development can assist both school and community in ongoing program improvement.

School Mission Statement

Tiefert View Intermediate School is dedicated to developing confident learners who take an active role in their education. Our goal is to have our students flourish as productive members of today's society.

Community & School Profile

Located in the rural high desert of Southern California, 126 miles from Los Angeles and 144 miles from Las Vegas, Silver Valley Unified School District educates nearly 2,100 students in grades kindergarten through twelve. Covering an area of 3,200 square miles, the district serves the communities of Calico, Daggett, Fort Irwin, Ludlow, Newberry Springs, and Yermo.

The district is comprised of seven school sites including three elementary schools, two middle schools, one comprehensive high school, and an alternative education center. The alternative education center is made up of four schools and includes Calico High School, Silver Valley Academy, Silver Valley Community Day School, and Silver Valley Adult Education all at one location.

Located on the Fort Irwin National Training Center, Tiefert View Intermediate School served an average of 400 third through fifth grade students on a traditional calendar schedule during the 2016-2017 school year.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Misassignments of Teachers of English Learners	0	0	1
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2015-16)

Location of Classes	Percent of Classes In Core Academic Subjects	
	Taught by Highly Qualified Teachers	Not Taught by Highly Qualified Teachers
This School	95.0	5.0
All Schools in District	99.3	0.7
High-Poverty Schools in District	99.1	0.9
Low-Poverty Schools in District	100.0	0.0

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: August 2016

Pursuant to the settlement of Williams vs. the State of California, Silver Valley Unified School District thoroughly inspected each of its school sites at the start of the 2016-17 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is September 06, 2016.

All students, including English Learners, are given their own individual textbooks and/or instructional materials in core subjects, as well as, foreign language and health (as appropriate), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The table displays information collected in August 2016 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements (Most Recent Year)

Tiefert View Intermediate School, recently constructed in 2006, is currently comprised of 26 classrooms, a library, a multipurpose room, an administrative office, and one playground.

Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

Maintenance & Repair

A scheduled maintenance program is administered by the District's maintenance staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Silver Valley Unified School District, including regular facilities inspections, to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention.

Repair requests are completed efficiently and in the order in which they are received. The chart displays the results of the most recent school facilities inspection, provided by the district.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

	5	15	12	80.0	8.3

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Parents are encouraged to take an active role in their child's education. Parents are welcome to volunteer in the classrooms, chaperone school events and field trips, and participate in the Parent Teacher Organization.

We also offer several Parents Advocating Student Success classes at the school. Many of these classes are in a series of 6 courses. These classes are offered in the Fall and the Spring.

Numerous programs and activities at Tiefort View Intermediate School are enriched by generous contributions from local businesses and service organizations.

Contact Information

Parents who wish to volunteer or participate in the school's committees or activities, may contact the office at (760) 386-3123. The district's website (<http://www.svusdk12.net>) also provides helpful information and a variety of resources for parents, students, and the community.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State

Expulsions	0.0	0.0	0.0	0.3	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2016-17)

The safety of students and staff is a primary concern of Tiefert View Intermediate School. All guests to the campus must sign in at the office and wear a visitor's badge at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among noon-duty aides, teachers, and school administrators.

To safeguard the well-being of students and staff, comprehensive School Site Safety Plans have been developed for each site by the district. The Safety Plans were most recently updated in February 2015, with all revisions reviewed immediately with the staff. Key elements of the Safety Plan focus on the following: school rules and procedures, disaster procedures, current status of school crime, notification to teachers, child abuse reporting procedures, school-wide dress code, routine and emergency drills, sexual harassment policy, policies related to suspension and expulsion, maintaining a safe and orderly school environment, safe ingress and egress of pupils, parents, and school employees.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and intruder drills, are held on a regular basis.

Professional Development (Most Recent Three Years)

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the "California Standards for the Teaching Profession" which include the following: engaging and supporting all students in learning, understanding and organizing subject matter for student learning, assessing student learning, creating and maintaining effective environments for student learning, planning instruction and designing learning experiences for all students, and developing as a professional educator.

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. Teachers were offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. 2015-16 staff development topics included: Illuminate Training, Pearson ELA Training, Pat Pavelka training on reading strategies, EnVision Math Training, Singapore Math Training, Scholastic Read 180 & System 44 training for the RtI teacher, Technology training for new teachers, Positive Behavior Intervention Support (PBIS), and Professional Learning Communities (PLC).

For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) support provider.
