## School Accountability Report Card

### Reported Using Data from the 2016-17 School Year

#### Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (School Year 2017-18)**

The vision of Calico High School is to create a safe and constructive learning environment which promotes academic growth and personal success for all students. Through these techniques we will develop interpersonal skills and ensure the creation of life-long learners.

The mission of the Alternative Education Center is to provide all students with an unconventional setting, where the individual needs of each student are addressed through the access of a state standards based, aligned curriculum and federal mandates

#### **School Profile**

Located in the rural high desert of Southern California, 126 miles from Los Angeles and 144 miles from Las Vegas, Silver Valley Unified School District educates nearly 2,300 students in grades kindergarten through twelve. Covering an area of 3,200 square miles, the district serves the communities of Calico, Daggett, Fort Irwin, Ludlow, Newberry Springs, and Yermo.

The district is comprised of seven school sites including three elementary, one middle, one K-8, one comprehensive high school, and one Alternative Education Center (AEC). The AEC is made up of four schools, Calico High School, Silver Valley Academy, Silver Valley Community Day School, and Silver Valley Adult Education Center.

Calico High School (CHS) is WASC accredited (2013) and is located at the AEC and includes a Opportunity Program (7-9) and a continuation high school (ages 16-18). Students who experience difficulty in traditional school settings often find success in alternative programs. CHS provides individual instruction with frequent one-to-one student and teacher interaction. The school foster a college atmosphere and an attitude to prepare students for higher learning and or career readiness.

Placement at the school may be voluntary or referred through the district process. Students are screened prior to enrolling. Flexibility is key to student success. The school's programs offer several options to students regarding how assignments are completed. The curriculum is equivalent to the comprehensive high school and includes credit recovery. Preparing students for re-admittance back to the high school is a school goal.

### **Student Enrollment by Grade Level (School Year 2016-17)**

<b>Grade Level</b>	<b>Number of Students</b>
<b>Grade 10</b>	5
<b>Grade 11</b>	9

Foster Youth	4.5

**A. Conditions of Learning**

**State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**Teacher Credentials**

Teachers	School			District

Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments *	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)**

**Year and month in which data were collected:** August 2017

Pursuant to the settlement of Williams vs. the State of California, Silver Valley Unified School District thoroughly inspected each of its school sites at the start of the 2017-18 school year to determine whether or not each school had sufficient and good quality textbooks, instructional materials, and/or science laboratory equipment. The date of the most recent resolution of the sufficiency of textbooks is October 10, 2017.

All students, including English Learners, are given their own individual textbooks and/or instructional materials in core subjects, as well as foreign language and health (as appropriate), for use in the classroom and to take home if necessary. Additionally, all textbooks and instructional materials used within the district must be aligned with the California State Content Standards and frameworks, with final approval by the Board of Education. The table displays information collected in August 2017 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Situated on 8 acres, the Alternative Education Center site serves Calico Continuation High School, Silver Valley Academy, Silver Valley Adult School, and the Silver Valley Community Day School. This site was originally constructed in 1953. The campus is comprised of 14 permanent classrooms, and 2 portable classrooms. The multipurpose room and 4 classrooms are currently unoccupied.

#### Cleaning Process

The school provides a safe and clean environment for students, staff, and volunteers. The district governing board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe, and functional learning environment.

#### Maintenance & Repair

A scheduled maintenance program is administered by the District's maintenance staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by Silver Valley Unified School District, including regular facilities inspections, to ensure that school grounds and facilities remain in excellent repair. A work order process is used when issues arise that require immediate attention.

Repair requests are completed efficiently and in the order in which they are received. The chart displays the results of the most recent school facilities inspection, provided by the district.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	55	33	53	48	48	48
Mathematics (grades 3-8 and 11)		8	41	39	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	15	12	80	33.33
Male	--	--	--	--
Female	--	--	--	--
Black or African American	--	--	--	--
Hispanic or Latino	--	--	--	--
White	--	--	--	--
Socioeconomically Disadvantaged	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group  
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	15	12	80	8.33
Male	--	--	--	--
Female	--	--	--	--
Black or African American	--	--	--	--
Hispanic or Latino	--	--	--	--
White	--	--	--	--
Socioeconomically Disadvantaged	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students  
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	--	--	54	57	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

**Career Technical Education Programs (School Year 2016-17)**

Calico High School strives to graduate citizens who are fully capable of functioning and prospering in our society. The school's workforce preparation program prepares students to succeed through the development of conceptual thinking, effective communication, and the ability to apply knowledge and skills learned in the classroom to real-world contexts. Curriculum and instructional strategies that foster critical thinking, problem solving, leadership, and academic skills are consistently taught to ensure work-readiness skills.

Students enroll in a "Career " class which enables them to research different career options and to develop skills necessary for applying for jobs, such as writing resumes and interviewing skills. Calico High School engages community support and participation to provide guest speakers from organizations such as the Speakers Bureau of the Chamber of Commerce, Fort Irwin, the County Sheriff's Association, San Bernardino County offices, Wal-Mart, the military, the Barstow Police Department, and Barstow Community College representatives . These speakers increase student awareness of the many opportunities and options for future education, training, and employment beyond high school .

Calico High School does not offer on-site vocational classes. Students may participate in San Bernardino County's Regional Occupation Program (ROP). Classes are offered to students who are age 16 and older at the Silver Valley High School campus. A list of courses may be obtained from the ROP office . For more information about Career/Technical Education and/or the District's Regional Occupation Program, please contact Principal Marc Lacey at Silver Valley High School.

**Career Technical Education Participation (School Year 2016-17)**

Measure	CTE Program Participation
Number of pupils participating in CTE	5
% of pupils completing a CTE program and earning a high school diploma	0
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	0

**Courses for University of California (UC) and/or California State University (CSU) Admission**

2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	

**State Priority: Other Pupil Outcomes**

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

**Opportunities for Parental Involvement (School Year 2017-18)**

Parents are encouraged to undertake an active role in their child's education. Parents are welcome to volunteer in the class rooms, chaperone school events and field trips, and participate on the School Site Council. The Parent Booster's Club helps fund numerous activities for the school.

Numerous programs and activities at Calico Continuation High School are enriched by generous contributions from local businesses and service organizations.

**State Priority: Pupil Engagement**

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

**Dropout Rate and Graduation Rate (Four-Year Cohort Rate)**

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16

Foster Youth	50	50	68.19

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

**School Safety Plan (School Year 2017-18)**

The safety of students and staff is a primary concern of Calico Continuation High School. All guests to the campus must sign in at the office. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among noon-duty aides, teachers, and school administrators.

To safeguard the well-being of students and staff, comprehensive School Site Safety Plans have been developed for each site by the district. The Safety Plans were most recently updated in January 2015, with all revisions reviewed with the staff. Key elements of the Safety Plan focus on the following: school rules and procedures, disaster procedures, current status of school crime, notification to teachers, child abuse reporting procedures, school wide dress code, routine and emergency drills, sexual harassment policy, policies related to suspension and expulsion, maintaining a safe and orderly school environment, safe ingress and egress of pupils, parents, and school employees.

The school is always in compliance with the laws , rules and regulations pertaining to hazardous materials and state earthquake standards. Safety drills, including fire, earthquake and intruder drills, are held.

## Professional Development (Most Recent Three Years)

---

A constructive evaluation process promotes quality instruction and is a fundamental element in a sound educational program. Evaluations and formal observations are designed to encourage common goals and to comply with the state's evaluation criteria and district policies. Temporary and probationary teachers are evaluated twice a year and tenured teachers are evaluated every other year.

Evaluations are conducted by the principal, who has been trained and certified for competency to perform teacher evaluations. Evaluations are based on the "California Standards for the Teaching Profession" which include the following: engaging and supporting all students in learning, understanding and organizing subject matter for student learning, assessing student learning, creating and maintaining effective environments for student learning, planning instruction and designing learning experiences for all students, and developing as a professional educator.

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district sponsored various opportunities for professional development. Teachers were offered a broad-based variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. Topics include staff development / PLC topics included: APEX Training, Illuminate Training, Pearson DRA Training, Holt Differential Instruction ELA, CMAT (Math) Training, Singapore Math Conference, and Scholastic Read 180 & System 44 training.

For additional support in their profession, teachers may enlist the services of the district's Beginning Teacher Support and Assessment (BTSA) support provider and/or the Peer Assistance and Review (PAR) Program.
